

Home Journal Awards 2022 Handbook

What are the Home Journal Awards?

Home Journal Awards 2022 is one of the industry's most prestigious accolades that commemorates outstanding work in the fields of interior design and architecture, and spotlights the creative minds behind them.

This year's awards welcomes entries from the Greater Bay Area (GBA), with more than 30 categories covering the entire interior and architectural design spectrum.

Entrants for the Best Designer Awards will be competing for Gold, Silver, Bronze and Merit Awards in each of the categories, and they will be reviewed by a distinguished judging panel consisting of design experts and industry pioneers.
